Facility Rental User Checklist

Welcome to White River Club. We hope your visit with us will be enjoyable. We have provided a party supervisor to assist you with your rental. They are to help in setting up, supervising the pool area, making sure your guests follow our rules and to help in clean up. If at any time you have questions please feel free to ask them.

1. Signed facility rental agreement, provide proof of insurance if required, and pay for services.
2. All adults (18 and older) that are non-members of White River Club must sign a liability waiver that the party supervisor will provide.
3. The rental time includes both the set up and take down.
4. Supervisor will assist you in set up by providing what tables and chairs we have available along with whatever we may be able to provide.
5. You may put up decorations but must remove them and any tape left on cinderblock walls. No tape on drywall.
6. The workout area is off limits to guests of facility rentals. If you or your guest would like a tour of this area they may ask to see a member representative who will be glad to show them around. We do keep some exercise equipment in the gym, which is also not to be used. Please keep adults and children off of the equipment in the gym.
7. Pool rules are posted as required by Indiana law in the pool area and the supervisor will enforce those rules. The supervisor is NOT a lifeguard. Due to the size of our pool we are not required to have a lifeguard on duty. However, the supervisor will be in the pool area whenever guests are in the pool. If you have children in the pool it is recommended that you have other adults in the pool area also for extra safety. The pool is private during your one hour; however, *the hot tub is open to members during your party and is not closed.*
8. No food is allowed in the pool area at any time and only water is allowed in the pool area as long as it is not in a glass container.
9. Please assist the supervisor in clean up by removing your decorations, placing empty food cartons and other trash in the waste receptacle. The supervisor will wipe down the tables and chairs as well as sweep and mop the floors and take out the trash. They will put the tables and chairs away but if you could assist them it would be greatly appreciated.

Thank you for holding your event with us. We hope that everyone has a wonderful time!
